

# Door lock assembly I

No	Parts number	Parts name	Quantity
1	AZ1642340012	Door lock block assembly (L)	1
	AZ1642340013	Door lock block assembly (R)	1
2	AZ1642340014	Door lock body assembly (L)	1
	AZ1642340015	Door lock body assembly (R)	1
3	AZ1642340017	Door lock lever assembly II	2
4	AZ1642340018	Door lock lever assembly III	2
5	Q2540830	screws	4

## Process content:

- 1 Assemble the lever assemblies II and III onto the lock body assembly;
- 2 Attach the assembled lock body assembly together with the stop assembly to the door;
- 3 Assemble the rubber sheath on the hole through which the lever assembly III passes, and install the lock button on the lever assembly III.
